

Dear Town of Clay Resident:

We'd like to thank you for another excellent year of being your service provider. We'd also like to take this opportunity to update you on the schedule and remind you of the guidelines and requirements. Your trash and recyclables service days will remain the same as last year. Pickup times will be between 6:00 a.m. and 6:00 p.m.

If you need materials picked up not covered under regular collection rules, please call Butler Disposal Systems directly at (315) 342-0832 for a competitive price, however, you may contact any hauler for additional pick-ups. If you would like your trash and recyclables picked up at some other designated location, such as your garage door, please call for the additional cost. Cart rental is also available for an additional cost.

Most questions or complaints can be handled directly with Butler Disposal Systems at (315) 342-0832 between 8:00 a.m. and 5:00 p.m. If we are not able to assist or resolve the issue, contact the Town of Clay, Supervisor Damian M. Ulatowski's Office at (315) 652-3800 ext.162 or email at supervisor@townofclay.org.

Very truly yours,

Todd Butler

Resident

Liverpool NY 13090-3804

The following is a list of guidelines and requirements for trash collection:

- △ Please place trash containers outside of road pavement and any gutters so as not to obstruct traffic or block drainage.
- △ Recyclable materials should be placed in the Blue Bins you have used in the past. If you need a Blue Bin, they can be picked up free of charge at the Town of Clay Highway Offices, 4483 State Route 31. Limit 2/household.
- △ Trash and refuse must be placed in covered rigid plastic or metal containers. If plastic bags are used, they must be placed in rigid plastic or metal containers. Full containers must not weigh more than 75 pounds. Plastic bags not in covered containers or containers weighing more than 75 pounds will not be picked up.
- △ Scraps of wood will be collected, provided they are bundled together, less than three feet long, and less than 25 pounds in weight. One bundle of wood will be collected per household per week.
- △ Paint cans will be collected if the tops are off, paint is completely dried (sand or cat litter) and the paint is placed next to the trash.
- △ Items that will not be collected include: brush, leaves, grass clippings, cuttings, construction materials, furniture, sinks, tubs, white goods, carpet, and other appliances, tires, batteries, automobile parts, etc. as well as bags containing sharps/syringes (see further information). Any of these items mistakenly left at the curb will not be picked up, and according to Town regulations, must be removed from the street side before 6:00 p.m. on collection day.

Electronic and Metal Recycling

Due to the NYS Electronic Equipment Recycling and Refuse Act of 2010, Butler Disposal Systems will not pick up electronic waste. However, the Onondaga County Resource Recovery Agency (OCRRA) has several drop off options available. Please find them at www.OCRRA.org

- △ The Town of Clay has a drop off facility at the Town of Clay Highway Garage for heavy appliances. This facility is open the second Saturday of each month, from April through November, between the hours of 8:00 a.m. until 12:00 p.m.

Heavy appliances that are acceptable:

- | | |
|---------------------------------------|----------------------------------|
| △ Washers or dryers | △ Lawn mowers, snow blowers |
| △ Dishwashers | △ Irons, fans, fencing, bicycles |
| △ Stoves | △ All metal items big and small |
| △ Furnaces | |
| △ Gas grills - excluding propane tank | |

If you are unsure if something can be dropped off, please call the Highway Department at (315) 652-3800, prompt #3. You may also visit OCRRA's website at www.OCRRA.org or call (315) 453-2870 to obtain information on their disposal programs or landfill operations.

Items that are not acceptable include:

- | | |
|---|-------------|
| △ Air Conditioners | △ Lumber |
| △ Humidifiers | △ Tires |
| △ Refrigerators | △ Furniture |
| △ Any item that contains Freon | △ Plastic |
| | △ Glass |
| △ Any TV's, microwaves, phones, computers, monitors or electronic waste cannot be dropped off. | |

If you are unsure if something can be dropped off, please call the Highway Department at (315) 652-3800, prompt #3. You may also visit OCRRA's website at www.OCRRA.org or call (315) 453-2870 to obtain information on their disposal programs or landfill operations.

Disposal of Sharps/Syringes:

OCRRA offers directions and guidance for residents to properly dispose of used sharps and syringes. NEVER place containers of sharps (needles, syringes, and lancets) alone in plastic trash bags or in blue bins.

- △ 1. Sharps can be placed in clean, biohazard-labeled sharps containers or in clean, heavy plastic bleach or laundry detergent bottles with a screw-on cap. Containers must be leak-proof, labeled as "Sharps" and the top must be taped shut. Then they can go in the trash.
- △ 2. Several health centers and hospitals will accept sharps from residents. This encourages the safe disposal of sharps for people with medical conditions that require at-home, self-injections.
- △ 3. Onondaga County offers the "Sharps, Needles and Drug Disposal" program, with drug (and needle) collection points at various locations.
